

January 29, 1973

SENATOR RASMUSSEN: I was the introducer of this bill and I believe that Senator Chamber's committee statement pretty well sums it up. This would allow for a widow or a mother with a son or a husband that dies from wounds or medical reasons concerning his military duties from a medical discharge would be allowed to enter the Nebraska Veterans Home. I move that this be advanced to E & R.

SPEAKER: Is there any further discussion of the bill. The question is shall LB 33 be advanced from General File to E & R, Initial. All those in favor vote aye, all those opposed vote no. Senator Syas, for what purpose do you rise?

SENATOR SYAS: One question. How many people in this category are there? How big the home to take how many people.

SPEAKER: Senator Rasmussen, do you care to respond.

SENATOR RASMUSSEN: Yes, there is--will be room at the end of '74 for a little over six hundred.

SENATOR SYAS: How many people does this make eligible? I am not--don't want to be cruel, but are we doing something saying people could get in here and then don't have the space. I am only asking a question.

SENATOR RASMUSSEN: No, Senator Syas, there would be room. It would affect probably maybe three or four over the entire state.

SPEAKER: Have you all voted? The clerk will record the vote.
